

# ProSecCon, Inc.

September 5, 2009

ConsultantRegistry.org

Just a note to say thanks as your site has been responsible for over \$2,000,000.00 in projects we have bid on this past month as a direct result of relationships acquired via your website and with other independent consultants across the nation. Great work and keep it up as this is a unique vehicle which levels the playing field for many independents and is a tremendous resource.

Warmest personal regards,

Henry L. Homrighaus, Jr. CHS-V, DABCHS, PSNA  
President
